Honorable Joel T. Broyhill
House of Representatives
Washington 25, D. C.

Dear Mr. Broyhill:

Thank you for your letter of 15 August 1957 in behalf
STAT of Mrs. [redacted]

STAT Mrs. [redacted] filed application papers with us in March 1957 following an interview on 21 February 1957. She indicated her interest in employment as a Research Analyst. Following review of her application by interested operating officials, she was advised by our Director of Personnel on 9 May 1957 that we did not have a suitable position for her at that time. We have
STAT again reviewed Mrs. [redacted] papers, but our current ceiling situation limits opportunities for candidates who do not possess highly specialized qualifications. We will keep
STAT Mrs. [redacted]'s file in an active status and review it as our requirements change; however, we cannot encourage her as to prospects for any immediate placement in this organization.
STAT A copy of our letter advising Mrs. [redacted] of the results of our current review of her application is enclosed for your information.

Your interest in bringing qualified candidates to my attention is appreciated. If future developments offer
STAT opportunity for Mrs. [redacted]'s employment with us, you may be sure we will give her every consideration.

Sincerely,

Signed

C. P. Cabell
Lieutenant General, USAF

STAT [redacted]

The Honorable Joel T. Broyhill has asked that your application for employment with this Agency be reviewed.

As you will recall you filed formal application materials with us in March 1957 and were advised by letter dated 9 May 1957 that we had no current opening commensurate with your qualifications. We have again reviewed your file in light of our current requirements and regret to advise you that no suitable vacancy has developed to date for which you might be considered. Our current employment situation seriously limits our interest in individuals without highly specialized qualifications and we cannot encourage you as to the prospect of any immediate placement with us.

Your continuing interest in this organization is appreciated. If a suitable opening develops, we will get in touch with you.

Sincerely,

STAT [redacted]
